Sir:-

Your letter of May 4th to Mr. Archer M. Huntington has been referred to me as far as regards the publications of this Society. I take pleasure in sending you under separate cover the following brochures all of which were issued this year under the auspices of the Society.

1. Catalogue of Contemporary Medallists.
2. Catalogue of Medals, Insignia, etc. (Selections from the Society's Collection).
3. Catalogue of Coins. (Selections from the Society's Collection).
4. History of the Society.
5. Constitution and By-Laws of the Society.

For other publications of the Society, I refer to page 12 of the History, (No. 4).

The Catalogue of Contemporary Medallists is being rapidly revised, and we shall take pleasure in sending you a copy; and as the present edition was intended chiefly for use at the exhibition it would be well to wait for the revised and enlarged edition before binding.

June 9, 1910.

The subscription to our Journal is $2.00 per annum. A complete set of the Journal we can perhaps furnish you, and if we find it possible to do so, we shall write later sending you the price.

As I am collaborating in the revision of the catalogue above mentioned, I should regard it as a great favor, if you could assist me in procuring a copy of your monograph on J.C.Chaplain, which I have seen noticed.

You are I believe Editor of the "Gazette Numismatique Francaise", is it not so? Our Society does not subscribe to this periodical, but if you will reciprocate the favor in regard to your periodical, namely by sending us the price for current year and for a complete set, we shall endeavor to procure it.

I have the honor to be,

Dear Sir,

Very truly yours,

Curator.

Dear M. Mazerolle:-

It gives me great pleasure to transmit to you, under separate cover, as a gift to the collection of La Monnaie, from Mr. J. Sanford Saltus, Officer of the Legion of Honor, copies in silver and bronze of the medal struck by this Society to commemorate the visit of Marshal Foch. The gold medal was presented to Marshal Foch at the Museum of our Society on November nineteenth.

Can you inform me whether the Societe des Amis de la Medaille Francaise is still in existence? It is my impression that it is no longer active - am I correct?

Dear M. Mazerolle:

This note will introduce Mr. William H. Powell, one of the patrons of our Society who is very much interested in coins and medals relating to Napoleon. I am sure you will find him appreciative of the things which you will be able to show him in your collection. Your courtesy during my visit of last summer gave me much real pleasure and I am desirous that Mr. Powell might also experience your kindness.

Permit me to assure you of my cordial regard, and to say that I shall appreciate anything you may be able to do for Mr. Powell.

Dear M. Mazerolle:

When I had the pleasure of visiting your office many years ago you were so good as to show me among other interesting things, a very rare medal in either paladium or iridium. I recall that you told me that you had discovered this in a shop and purchased it as as silver piece. One of our members has begun a study of medals in these rare metals and I should be very grateful if you would give me definite information regarding such pieces in your collection, as well as a reference to any articles or publications relating to them which may be known to you. I trust my request will not unduly inconvenience you, and with cordial regards, I beg to subscribe myself,

Very sincerely yours,

Secretary.

Dear M. Mazerolle:

Responding to your card of August 15th telling me that you did not remember having shown me a coin in iridium or paladium when I visited you at La Monnaie many years ago. It was not a coin that you showed me but a fairly large sized medal. As I remember the circumstance, you mentioned that you had found it in a shop and that the owner had no conception of its material, although the name of the material appeared on the edge of the piece and that you consequently had been able to buy it for the cost of silver. If you do not recall the piece from this rather indefinite description please do not trouble further about it, for the matter is not one of great importance. I hope, however, that this will refresh your memory and enable you to identify the medal.

Very sincerely yours,
